\$125 rebate!

2006 **High-Efficiency Toilet Rebate Application**

Qualifications:

- Denver Water is offering a \$125 rebate (per toilet) to residents who replace old high-water-using toilets with high-efficiency toilets. A high-efficiency toilet uses 20% less than the government standardized 1.6 gallon-per-flush toilet commonly found on the market. This rebate only applies to new H.E.T. toilets that REPLACE old toilets. New construction is disqualified.
- Toilets must be purchased and installed between January 1, 2006 and December 31, 2006 to be eligible. No rebates will be given for toilets purchased before 2006, even if the installation is completed in 2006.
- Only the high-efficiency toilets on the list (on reverse) are eligible. This list is updated frequently as new toilets are tested and deemed to be water efficient. Check online at www.denverwater.org for the newest version of the list.
- Attach your receipt to the left corner of this application. Receipt must show proof of purchase of the high-efficiency toilet, and the model number must match one on the list (on reverse).
- A photo of your old toilet, with the tank and bowl destroyed, must be attached with the receipt. This is to ensure that the old waterwasting toilet can not be salvaged and reused.
- All applications must be accompanied by proof of lawful presence in the U.S. See "Change in 2006 Rebate Requirements" attached.
- Denver Water will pay up to 3 (three) rebates per residence for toilets. Return your application, receipt, and photo to your water provider for verification of your account. Your water provider will forward your application to Denver Water for rebate check processing.
- Please allow 8-12 weeks to receive your rebate check.

I certify that this high-efficiency toilet was purchased in 2006 and installed at the address indicated for my personal use. I have stapled both the original sales receipt and a photo of my old broken toilet to the top left corner of this page, and understand that these receipts and photos become the property of Denver Water once submitted. I understand that the installation of qualifying toilets may not result in a decrease in my water bill, and that Denver Water may require inspection of my premises prior to issuing my rebate.

CHANGE IN 2006 REBATE REQUIREMENTS

House Bill 06S-1023, which Governor Bill Owens signed into law on July 31, 2006, restricts who may receive public benefits in the State of Colorado. This law requires a change in the procedure for Denver Water rebate applications.

Under the new law, anyone 18 years of age or older must prove lawful presence in the United States in order to receive non-emergency public benefits. This applies to the Denver Water rebate. Although the new law went into effect on August 1, 2006, it applies to rebate applications even if the device was purchased prior to that date.

In order to prove lawful presence in the United States, you must produce one of the following forms of identification:

- a valid Colorado driver's license:
 - **Note:** The Colorado Department of Revenue will allow us to accept a driver's license from the District of Columbia or any of the following 33 states:
 - Alabama, Arizona, Arkansas, California, Connecticut, Delaware, Florida, Georgia, Idaho, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Minnesota, Mississippi, Missouri, Montana, Nevada, New Hampshire, New Jersey, New York, North Dakota, Ohio, Oklahoma, Pennsylvania, Rhode Island, South Carolina, South Dakota, Virginia, West Virginia, or Wyoming;
- a valid Colorado identification card;
- a United States military card;
- a United States military dependent's identification card;
- a United States Coast Guard Merchant Mariner card;
- a Native American tribal document;
- a birth certificate issued by a state, county, or parish;
- a naturalization or citizenship certificate;
- a court-issued adoption order;
- an unexpired foreign passport;
- an I-94 immigration form with refugee or asylum status; or
- an unexpired resident alien card, permanent resident card, temporary resident card, or employment authorization card.

In addition, you must sign an affidavit stating either: (1) you are a United States citizen; or (2) you are a legal permanent resident of the United States; or (3) you are otherwise lawfully present in the United States pursuant to federal law. A blank affidavit is attached for your convenience.

Please mail a photocopy of your identification (in one of the forms listed above) and your signed affidavit along with the other rebate paperwork. We assure you that this information will remain confidential.

We regret any inconvenience these new requirements may cause. Please call the Conservation Hotline at 303-628-6343 if you have any questions or concerns.
